

RATE ME.

Hi, I'm **Oindil Golder**. I currently serve as a **Software Engineer** and **Freelancer**. My **3+ Years of Experience** will make your project stand out among others. This is my rate card, and the services covered include **Frontend Development**, **Backend Development**, **Full Stack Development**, and **Bug Fixing**. If you're a company, brand, or agency looking for a senior-level Software Engineer without committing to full-time staff, I can step in to deliver high-level work and leadership as needed.

I also run an Agency that partners with clients for larger projects. For pricing and inquiries, reach out at: **oindilgolder303@gmail.com**
